New Rotisserie Style Chicken Reinforces Togo's Focus on Taste & Quality

SAN JOSE, CA – January 3, 2018 – Togo's Eateries, LLC, the “West Coast Original” known for its big, fresh, and meaty sandwiches, starts 2018 with a focus on big, fresh and meaty salad and wrap offerings. Featuring 20% larger portions of a better tasting rotisserie style chicken, and bold new flavor choices, Togo's continues to revamp its menu offerings with a focus on taste and quality.

The new Mediterranean Chicken Salad provides a delicious, high protein option with fresh hummus, crumbled feta, roasted red bell peppers and crisp cucumbers on a fresh bed of mixed greens. The new BBQ Ranch Chicken Salad features a tasty twist on a classic salad with Togo's black bean and corn salsa, vine ripened tomatoes, zesty BBQ sauce and a tangy new ranch dressing. Togo's fresh, new Ultimate Veggie wrap features hand-mashed avocado made in store daily, fresh hummus, roasted bell peppers, crumbled feta, and sliced cucumbers mixed with lettuce, tomatoes and red onions before being drizzled with creamy ranch dressing and wrapped in a soft new spinach tortilla.

“As guests are looking for lighter, but deliciously satisfying options, we wanted to elevate our line of salads and wraps with more flavor than ever before,” said Glenn Lunde, President of Togo's. “Better ingredients, bigger protein portions and bolder flavors will provide our customers the best Togo's salads and wraps ever.”

About Togo's Eateries, LLC

Togo's was founded in 1971 by a young college student with a large appetite and little money looking to make sandwiches the way he liked them — big, fresh and meaty. Keeping in the spirit of the original, Togo's products are still made with only the highest quality ingredients; including fresh Artisan breads, hand sliced premium pastrami, turkey and roast beef, as well as Hass avocados hand-mashed in restaurant every day.

With nearly 250 locations open and under development throughout the West, Togo's is a franchise-based business that offers a terrific opportunity for those new entrepreneurs that would like to own their own business.
