About Togo's Eateries, LLC

Togo's Sandwiches was founded in 1971 in San Jose, Calif. by a young college student with a large appetite and little money, looking to make sandwiches the way he liked them — big, fresh and meaty. Today that spirit of the founder and the original sandwich shop continues. Like the first days of the brand, Togo's products are still made with only the highest quality ingredients, including fresh artisan breads, hand sliced premium pastrami, turkey and roast beef, as well as Hass avocados hand-mashed in restaurant daily. Togo's is a franchise-based business that offers entrepreneurs a terrific opportunity to own their own business. With more than 200 locations open and under development throughout the West, the brand is a restaurant staying ahead of the pack.
